

Creditable Coverage Disclosure Notice

Important Notice from Edwards, Church and Muse, Inc. dba ECM, an IMA company About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Edwards, Church and Muse, Inc. dba ECM, an IMA company and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. **Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
2. **Edwards, Church and Muse, Inc. dba ECM, an IMA company has determined that the prescription drug coverage offered by the Edwards, Church and Muse, Inc. Employee Benefit plan (via Medcost Benefit Services, Inc) is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide To Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Edwards, Church and Muse, Inc. dba ECM, an IMA company coverage will not be affected. If you do decide to join a Medicare drug plan and drop your current Edwards, Church and Muse, Inc. dba ECM, an IMA company coverage, be aware that you and any covered dependents will not be able to get this coverage back until the next enrollment period unless you experience a qualified life event. Note that your current coverage pays for other health expenses, in addition to prescription drugs, and you will still be eligible to receive all of your current health and prescription drug benefits if you choose to enroll in a Medicare prescription drug plan and keep your coverage under the Edwards, Church and Muse, Inc. dba ECM, an IMA company plan.
