

# Use the Find Care tool at [anthem.com](https://www.anthem.com) to find an Anthem provider

Anthem's Find Care tool was created to make it easy to find the care you need.

Use this quick step-by-step guide to help you find care.

## Step 1

Go to [anthem.com/find-care](https://www.anthem.com/find-care).

- For guests — Choose **Basic search as a guest**.
- For IMA financial Group members — Select the **Use Member ID for Basic Search**. If you reside in Utah, enter the prefix **FAQ**. For all other members, enter **FGL**.

## Step 2 - (Skip if using prefix in step 1)

Scroll down and complete the following fields:

- Select the type of plan or network — Use the drop-down menu to choose **Medical Plan or Network**
- Select the state — Use the drop-down menu to choose **Select the state you would like to find care**
- Select how you get health insurance — Use the drop-down menu to choose **Medical Networks (Employer-Sponsored)**
- Select a plan or network — Use the drop-down menu to choose **National PPO (BlueCard PPO)** or **Preferred Blue Option (Select Network) for Utah associates**
- Select the **Continue** button.

## Step 3

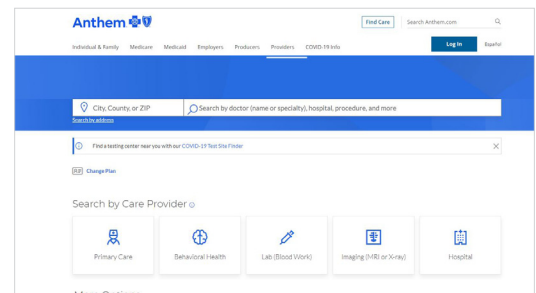

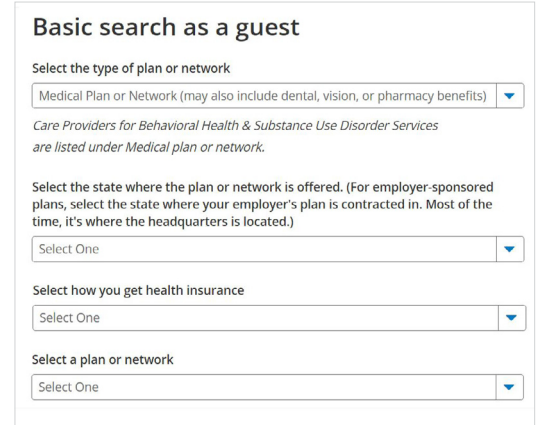

Enter the city, county, or ZIP code on the top left. You now have two options to narrow your search:

- **Option 1** — Enter a care provider or hospital by name or specialty in the search box. The results will appear below the *search box*, where you can select the name for more details about the care provider or hospital.
- **Option 2** — **Search by Care Provider**. Select the icon of the type of care provider you're looking for. The results will appear on a new screen, and you can select the care provider or hospital name for additional details.

## Step 4

View your search results:

- Choose the printer icon to print the results of your search, or select the email icon to email the search results.
- Select a care provider name to see more details.
- Choose **Back to Find Care** on the upper left or **Back** button at the bottom of the screen to return to your results.
