Vanguard Target Retirement 2020 Inv	Investment Objective & Strategy
	The investment seeks to provide capital appreciation and current income consistent with its current asset allocation. The fund invests in a mix of Vanguard mutual funds according to an asset allocation strategy designed for investors planning to retire and leave the workforce in or within a few years of 2020 (the target year). The fund's asset allocation will become more conservative over time, meaning that the percentage of assets allocated to stocks will decrease while the percentage of assets allocated to bonds and other fixed income investments will increase.
Fund Investment Expense as of 01/31/2026	Risk and Return Profile
<b>Gross:</b> 0.08% <b>Net:</b> 0.08%	This investment option may be appropriate for someone with a general preference for principal security and income but also willing to take some risk to achieve higher potential returns. The investor may be in or approaching retirement or may prefer to take less risk than other investors. Investors choosing this option want to invest in a mixture of diverse investments suiting their needs but may not have the time, desire, or knowledge to select and manage their own portfolios. The date in a target date fund's name represents an approximate date when an investor is expected to retire (which is assumed to be at age 65) and/or begins withdrawing money. The principal value of the funds is not guaranteed at any time, including the target date. Asset allocation and balanced investment options and models are subject to the risks of the underlying funds, which can be a mix of stocks/stock funds and bonds/bond funds. **Investing involves risk, including possible loss of principal.**

If you do not direct the investment of your account, your account will be invested in a Plan QDIA designated by the Plan Administrator or other Plan investment fiduciary.

Participant accounts are directed into a Plan QDIA designated by the Plan investment fiduciary based on information reflected in the Plan's records at the time of default, including but not limited to the normal retirement age specified in the Plan, a participant's date of birth and certain risk profiles, as applicable. You should contact the Plan Administrator or other responsible Plan fiduciary to make sure the indicative information for your account, including your date of birth, is accurately reflected in the Plan's records.

In the event your account information changes (e.g., the Plan is provided with an updated date of birth), the Plan fiduciary may direct the investment of your future contributions into a different Plan QDIA based on the updated information. Please note that your existing account balance will remain invested in the QDIA designated by the Plan fiduciary at the time of the initial default unless and until you provide investment direction for your account, or as instructed by the Plan fiduciary.

Should you have further questions regarding the Plan fiduciary's QDIA investment fund selection, please contact your Plan Administrator.

More detailed information about the investment funds may be available in the fund fact sheet, prospectus, and/or other applicable disclosure document, which you can get by logging onto the Plan web site. In addition, you can find out more about the Plan in other documents, including the Plan's Summary Plan Description (SPD) and any Summary of Material Modifications (SMM).

You can change how your Plan account is invested, among the Plan's offered investment funds, by either:

- logging onto the web site [empowermyretirement.com](http://empowermyretirement.com) and following the online instructions, or
- by accessing your account using the automated phone system 1-844-465-4455.

To learn more about the Plan's investment funds and procedures for changing how your Plan account is invested you can call 1-844-465-4455 or visit [empowermyretirement.com](http://empowermyretirement.com). Also, you can contact your Plan Administrator.

**Carefully consider the investment option's objectives, risks, fees and expenses. Contact Empower for a prospectus, summary prospectus for SEC-registered products or disclosure document for unregistered products, if available, containing this information. For prospectuses related to investments in your self-directed brokerage account (SDBA), contact your SDBA provider. Read them carefully before investing.**

**If a money market fund is included in your plan's lineup, you could lose money by investing in a money market fund.
